LEZHIN COMICS

Let's go!

Young master, let's go before you lose your mind.

W, wait! I need to prepare my heart!

WHAT ~!

Time's up.

Hey! That's too short!

I'll give you 7 seconds.

About 70 years?

How long do you need?

So you've come.

I've brought the young master, master.

I came too!

Our eyes met.~

두근!

① Pee.
② Shake legs.
③ Go insane.

LIKE IT EXISTS -!!

My name is Kang Sung Hoon, a normal high school student.

Today I learned about things that couldn't be learned in school.

In this world,

there are dogs as big as buses!

Tigers as big as Gun*** or Za**

Seems like something you'd only see in a manhwa right?

Oh!

The world is large, hahahaha.

I came to fulfill the promise,

but I don't know what that promise is.

So boy, do you know the reason you are here?

How bold and honest.

You can grasp any concept if you throw away logic.

Is that so.

I thought it would be better to hear it from you.

Did you not tell him?

What do you mean?

How about we,

start over from the beginning?

You look calm for someone who came here without knowing a reason.

You only look big because the shock was too big, right?

THE TIGER SPOKE!!

④ Point fingers

The fact that you exist is strange.

Is the fact that I can speak that strange?

Yes.

You,
forgot what I said didn't you.
Fine, I shall enlighten you.
Shouldn't you explain first?
I've said this before, I don't know of any promise.
Yes, but even so,
you came to keep the promise that was made ages ago.
What a gaiety kid.
This is the reaction of a normal human.
....he got dragged back.

As it is now, the seal is slipping and I will be free in a matter of years.

And this time, the protector is someone I had eyes on since he was young.

The one selected to be my husband, sent by the heavens, is you-!

Finally! I can experience love for myself!

This must be fate.

Wait, I don't understand what you're saying...

One day, even this seal won't be able to contain your powers.

On that day, I will send you someone who is suitable to be your husband.

The one who sealed me left me one prophecy.

And, if you fall in love with that man, even if the seal breaks

We will never bother you again.

...

That is how my master remembers it.

Oh, how long I've waited for this day.

Now, when are we going to hold the wedding?

You are a man fit to be my husband.

Your looks are alright, and you grew up with a good mentality.

As to say, you grew up recieving love from the heavens.

Wedding? Who is?

Who else is there other than you?

Excuse me...
...

Do not worry, I may have lived for a long time,

but I have never been touched by a man before.

Uh, that's not really the issue here...

I,

never said I'd marry you.

Hence, I can get married-!

I ...

because I'm human!

Is that so?

So, you're saying all I have to do is assume the form of a human.

What?

콰앙

It got dark?

Ku-!

Is it because I hold the form of a beast?

Th,that's right! You might be able to overcome differences like nationality, culture, age, and sex, but species isn't something you can do anything about!

—!

ARE YOU SAYING YOU DON'T LIKE ME?!

Uh, I'm sorry, but theres a big wall between that can never be crossed!

And like that-

The tiger that was bigger than a Gund**,

said those words as it looked up at me.
